

# Free Discount Rx Card

## The Problems

Millions of Americans have to pay top dollar for their medications because they have no insurance or because they are not part of a large organization that has negotiated discount pricing for them. The people that can afford it the least are charged the most. This is unfair.

## Those Affected

- The 48 million Americans who have no health insurance
- The many more millions who have no Rx plans or have restricted Rx plans
- The millions who have high deductible plans or high copay plans

## The Solution

- Use our FREE Discount Rx Card and save an average of 15% on brand-name and 55% on generic drugs at participating pharmacies!
- Member website offers drug cost lookup and pharmacy locator. YES! You can see the current price at the participating pharmacy near you!
- All drugs are covered by the card. Even smoking cessation medications and diabetes supplies can be obtained at greatly reduced rates!
- The Pharmacy network is national in scope!
- Cards can be used for all family members. There is no limit on the number of prescriptions filled!
- No forms to fill out. You do not have to activate the card!
- The card can be used over and over.

**THIS CARD CAN BE USED OVER AND OVER.  
THIS CARD DOES NOT EXPIRE. THIS IS NOT INSURANCE.**

Shown below are just some of the chain pharmacies that accept the Free Discount Rx card!

In addition to most chains, there are thousands of independent pharmacies that accept the card!

Over 80% of pharmacies nationwide participate.
